

Does your skin tell a story?

Or have significance in your life?

Perhaps you work in tough conditions that wreak havoc with your skin?
Do you do something in your day to day that is a little unexpected that affects your skin?

Perhaps your skin is unusual and always gets you noticed or is it a big part of who you are?

Do you also use Dove bar to take care of it?
If you have a special relationship with your skin, we want to hear your stories!

We would love to hear from women who are Dove-a-holics in the US over the age of 25.
No previous acting or modelling experience please.

If you are interested in taking part, please contact laura@justsolondon.com

All participants in the final selection will be fully compensated for their time.
